PUINTERS ON THE RACES.

Meeting of Loantaka and Potomac the Feature To-Day.

The meeting between Potomac and Loantaka will probably be the most interesting event of the day at Brighton. The race will be close, and no matter who proves the victor, the contest should be very close and exciting. Besides this race there are five other events, well filled with a good class of entries. Lord Dalmeny and Watterson meet in the fifth event, and Firefly, Jack Star and Vagabond will make it interesting for the others In the opening race. The track will be dry and fast. The selections are as follows :
